📍 Sitio Bungil, Sapang Maragul, Tarlac City, Tarlac

Career Objective

A 4th-year Information Technology student seeking an OJT position where I can apply my skills in programming, database management, system development, and android application development. Eager to gain hands-on experience, contribute to team projects, and further enhance my technical knowledge.

Skills Summary

- Programming: Java, Python, C# (Intermediate)
- Mobile Development: Android Studio (Java), Firebase (Intermediate to Expert)
- Web Development: HTML, CSS, JavaScript (Beginner)
- Database Management: MySQL, SQLite, Firebase (Intermediate)

Academic Projects

- **Rice Disease Scanner Android Application**

Developed an Android app using CNN-based deep learning to identify rice plant diseases. Integrated Firebase for real-time data storage and user authentication.

- **Airline Ticket Booking System**

Developed a system that allows users to search, book, and manage airline tickets. The project includes features such as flight schedule viewing, seat selection, and passenger information management.

- **Exort: Bike Parts & Accessories Inventory System**

Developed an inventory management system designed for monitoring and organizing bike parts and accessories. The system allows tracking of stock levels, adding and updating product details, and generating inventory reports.

Nita L. Ventura

OJT Coordinator

STI College Tarlac

Dear Mr./ Mrs. Hiring Person,

I am writing to express my interest in applying for an internship position in your company. As a 4th-year Information Technology student from STI College Tarlac. I am eager to apply the knowledge and skills I have learned in school to real work experiences.

During my studies, I have gained skills in programming, database management, and system development. I have also worked on academic projects such as a Rice Disease Scanner Android Application and other systems that enhanced my problem-solving and teamwork abilities. I am hardworking, willing to learn, and adaptable to new tasks.

I believe that this internship will help me grow professionally while also allowing me to contribute to your organization. I am confident that my dedication and enthusiasm will make me a valuable intern in your team.

I welcome the opportunity to further discuss how my background aligns with the needs of your organization. Thank you for considering my application. I look forward to the possibility of contributing to your team's success.

Attached is my resume for your review. I am available for an interview at your most convenient time and can be reached at 09622822446 or quiridojohnharvee@gmail.com

Thank you for considering my application. I look forward to the opportunity to learn and contribute to your organization.

Sincerely,

John Harvee L. Quirido
